Al-Waahid The One & Only

الْوَاحِدُ

The One who is Unique in His Essence and unrivaled, unparalleled and unmatched in His Perfection. He has no partner, no equal and no rival and there is absolutely nothing like unto Him. The One and Only God, Lord of all of Creation, who requires no second or partner and is alone in His divinity. The only one worthy of worship, whose decree is to be followed and observed and of whom nothing can share in the obedience and worship that is due to Him.
